Value spoken here.

More than just a good price, we believe value means quality—how well a shirt or sweater is made, how it fits and how terrific you look and feel in it. Before releasing our own-brand merchandise to the stores, each item must pass stringent quality testing for durability, washability and wearability. We're truly proud of our private labels: Partners® for women, Cambridge Classics™ for men, Sprockets® for kids, Cheetah® for the entire family and Celebration™ for your home.

We're label conscious.

Especially when the names stand for style and quality—Levi's and Van Heusen, Cherokee and Vanity Fair, Bugle Boy, Bongo and Jimmy Z, OshKosh B'Gosh. And Reebok and Nike, to name a few.

Doing our share.

Mervyn's believes in community involvement. In 1990, we donated more than \$7 million to non-profit organizations serving families in 15 states. We're a strong supporter of the United Way. And we also believe families benefit from family arts programs. Locally, Mervyn's is sponsoring the production of Nevada Dance Theatre's "The Nutcracker" for the fifth year.
